EXPERIENCE

Frontend Developer | Freelance, Istanbul, Türkiye

Feb 2026 – Present

- Built responsive UIs in React, Next.js, TypeScript, and Tailwind CSS for 2 client-facing projects.
- Deployed 3 projects on Vercel using reusable mobile-first components, Git/GitHub workflows, preview deployments, and CI/CD checks.

Hospitality Associate | Leman Kültür, Ankara, Türkiye

Oct 2022 – Feb 2026

- Worked full-time in hospitality; maintained software development practice through portfolio and freelance frontend projects during this period.

Freelance Web Developer | Remote

Dec 2021 – Oct 2022

- Delivered 8–10 responsive small-business websites with HTML, CSS, and JavaScript, improving mobile layouts, cross-browser compatibility, and client-requested updates.

Frontend/Web Development Intern | Ministry of Education, Tehran, Iran

Mar 2016 – Aug 2016

- Redesigned the layout and structure of an internal web service used by 100+ daily users, using HTML, CSS, and JavaScript to improve usability.

Web Developer & Database Administrator | Ab Hayat Industrial Group, Tehran, Iran

Nov 2016 – May 2021

- Automated recurring warehouse data tasks and improved query efficiency using SQL, schema restructuring, and internal database tools for warehouse operations.

PROJECTS

Luna Menu | Next.js, TypeScript, Tailwind CSS, Sanity CMS, next-intl, Vercel

- Built and deployed a multilingual digital menu platform for 3 Istanbul restaurant demos/live deployments using Next.js, TypeScript, Tailwind CSS, Sanity CMS, next-intl, and Vercel.
- Developed mobile-first browsing, search/filtering, item modals, restaurant-specific branding, and Sanity CMS schemas so menu updates can ship without code changes.

SkyCast | React, TypeScript, Vite, Tailwind CSS, Weather API

- Delivered real-time weather data across current, hourly, and daily forecast views by integrating a RESTful Weather API with TypeScript-typed components.
- Improved cross-device usability with light/dark mode, mobile-first responsive layouts, and Vercel production/preview deployments.
